RealManage
Elevated Onsite

Beyond Local. Better than National. ***Elevated.***

Why settle for local or national management when your community can have both?

Every community deserves a management partner that understands its people, protects its assets, and keeps operations running smoothly. But many communities find themselves choosing between a local company with personalized service or a national company with broader resources. RealManage Elevated Onsite removes the need for your community to compromise.

What High-Performing Communities Need	Local Company	National Company	RealManage Elevated Onsite
Local management team that knows your community	✓	Varies	✓
Personalized, relationship-driven service	✓	✗	✓
Local knowledge and community continuity	✓	✗	✓
Access to specialized experts (insurance, legal, HR, construction, etc.)	✗	Limited	✓
National buying power and preferred vendor network	✗	Limited	✓
Involved leadership	Varies	✗	✓
Integrated technology platform and resident tools	✗	Limited	✓
Standardized financial controls and reporting	✗	Varies	✓
Dedicated backup staffing and operational continuity	✗	✗	✓
Consistent service during manager transitions	✗	✗	✓
Ongoing manager training and professional development	✗	Limited	✓
Enterprise-level governance and compliance support	✗	✓	✓
Proven operational stability you can rely on	✗	Varies	✓
Bottom Line	Strong local relationships	Broad resources	The best of both
Overall Advantage	Local expertise	National scale	Local expertise + National strength
